

**Notes of Meeting 13 February 2024
Environment and Climate Crisis Action Group (ECCAG)**

Present: Nigel Chatterjee (NC), Trudy Reynolds (TR), Pat Smith (PS).

A general discussion was held on themes for the next 3 posters to be put on the PC website, noticeboards and facebook page.

The theme for March was agreed as Spring Cleaning. TR will create a narrative and NC will add some graphics. PS will start work on how to reduce household waste/reduce consumption for April with a possible gardening/wildlife theme for May.

The new Biodiversity Policy was discussed and up-dates were agreed on the Climate Crisis Action Plan and Planning Checklist. Suitable cross-referencing was made on all three documents to improve the content. TR would amend the documents and once agreed with the group would submit them for discussion at the next council meeting on 15 February 2024. All agreed that this work was a timely reminder for all councillors, especially those new to the parish council.

It was agreed that a further meeting would be held in about 2 months time.
