#### Welcome!

My name is Matt Trevivian and I am the local sector inspector for St Austell.

We will be bringing you a quarterly newsletter full of safety tips and crime prevention advice, as well as updates on issues and priorities that are of concern to local communities.

In this Spring edition, we have included useful information about how to stay safe while enjoying our beautiful region over the coming months.

My colleagues and I work hard to keep you safe 24 hours a day, 365 days a year.

Remember, if you need us but you're not in immediate danger or a crime isn't taking place, please get in touch via our website

[www.dc.police.uk/ro/report/](http://www.dc.police.uk/ro/report/)

If you see us out and about, please come and say hello. We'd love to meet you!

#### Keeping your garden secure

As the clocks change and the weather hopefully warms up, many of us are looking forward to spending more time in our gardens. Now is a good time to think about

shed security and how you can keep your belongings safe. Protecting your garden and outbuildings not only keeps your valuables safe but can also stop burglars accessing tools to get break into your home.

#### Prevention

- 1) Keep hedges and walls at the front of your house low (under one metre) so burglars have nowhere to hide.
- 2) Lock side gates at all times
- 3) Consider spiky, defensive planting and keep hedges, walls and fences around your back garden high (over 1.8 metres).
- 4) Gravel driveways and paths make it harder for burglars to go undetected, due to the noise caused when someone walks on them.
- 5) Install an outside security light so intruders cannot approach without being seen and consider fitting a burglar alarm system.

## Spring travel advice

The upcoming Easter holidays, May half term, and two Bank Holiday weekends will bring extra visitors to Devon & Cornwall. This means there may be extra traffic on the roads and potential hold ups across our beautiful counties. The force will be doing its best to police Bank Holiday hotspots and make sure motorists have a smooth journey on their way to the beaches.

Top tips to help with your drive include:

- Checking over your vehicle (e.g. checking tyre pressures and making sure you have enough fuel, oil and water.
- Choosing quieter times on the roads if possible and checking forecasts so you are aware of adverse weather which may hamper your journey.
- Be prepared in case you do break down – have refreshments and appropriate clothing in your vehicle and keep your mobile phone charged.
- Never leave children or dogs in a vehicle in warm weather. Even if you're only gone for a couple of minutes and leave a window open, the rising temperature within a vehicle can lead to serious, or fatal consequences.
- Be patient and considerate to other drivers, and remember it is always best to allow extra time.
- If you are towing a caravan please make sure you know the rules...

## Girlguiding Police Challenge Badge

Did you know Devon & Cornwall Police now offer a Girlguiding Police Challenge Badge? The challenge badge aims to teach Brownies and Rainbows what the police do nationally, and in their communities, and provides information about careers in the police and personal safety.

If you would like to find out more about the pack, please visit:

<https://www.devon-cornwall.police.uk/police-forces/devon-cornwall-police/areas/campaigns/campaigns/girlguiding-police-challenge-badge/>.

## Property marking

With the weather brightening up and more opportunities for you to use bikes and other high value equipment, consider marking your property and recording your items on

<https://www.immobilise.com/>. Remember, you can mark electrical items, bikes, and items such as antiques. If you'd like help marking your property, please contact your local station.

## Considering livestock when dog walking

When walking through our beautiful countryside with your dog, please be cautious of livestock, especially now that lambing season is underway. Make sure your dog is on a lead at all times.

Livestock worrying is a crime and can cause devastating consequences for livestock and farmers. If you witness a dog acting out of control or attacking livestock, please phone 999 to report it.

## Protect yourself from rogue traders

Now the warmer weather is approaching, you may consider improvements to your house and garden. Be cautious of rogue traders who may knock on your door and offer to do work to your home or garden. Things to look out for include:

- Being offered a very cheap price
- Being rushed into making a decision

Remember to ask for identification and understand the terms and conditions of the work. If you notice anything suspicious, report your concerns to 101 or call 999 if you feel like you are in danger.

## Getting in touch

We're always here if you need us – but if it's not an emergency (i.e. a crime isn't happening right now and no-one is in immediate danger) then reporting online will save you time and means we have all the information we need to respond appropriately.

Scan the QR code below to take you to our website home page and choose one of the blue boxes to find the form that's right for you.

There are situations which seem like they should be police matters, but which are dealt with by other agencies, such as noisy neighbours, dog fouling, fly tipping and more.

To avoid delays, always visit our website first to see if this is an issue which is more appropriately dealt with by another agency.

## Local updates:

- The Neighbourhood Policing Team continue to conduct regular patrols in the area of St Austell Town Centre. We continue to address issues of anti-social behaviour and several anti-social behaviour warnings have recently been issued.
- Alongside of this we continue to deal with shoplifters and have made several arrests in connection with this. One male has been sentenced to 16 weeks in prison following multiple offences and a female has been sentenced to 12 weeks.
- We have been conducting regular traffic operations to target speeding and other driving offences in the area of St Austell and Clay villages which have resulted in the distribution of tickets and education of drivers.
- We have recently been successful in getting another closure order on a property in the St Austell area alongside Ocean Housing and Cornwall Council's Anti-Social Behaviour Team. This is following frequent reports of disorder at the property and this order was granted to protect residents and the wider community from the impact of anti-social behaviour. This is the second successful closure order of the year so far in conjunction with these agencies.
- We continue to urge the public to report any incidents of anti-social behaviour or crime so that we can take the appropriate action.

Our priorities in conjunction with Safer St Austell are:

- Anti-social behaviour including street drinking
- Community engagement and building resilience
- Young people and youth crime
- Drugs and alcohol
- Homelessness
- Domestic abuse and sexual violence
- Reducing violence against women and girls
