

ST AUSTELL BAY PARISH COUNCIL NEIGHBOURHOOD DEVELOPMENT PLAN

St Austell Bay have your say
Baya Sen Austel gwrewgh leva

HELP US TO HELP YOU!

We know you value the green spaces, natural environment, footpaths, woodland, wildlife, views, beaches and historic features of our lovely parish – your responses to the Residents’ survey proved that very clearly!

However, we now need extra evidence of exactly what you value about the landscape to enable us to write policies aimed at preserving these things.

PLEASE, if you haven’t already done so, come along to the Pattern Hall between 9am and 1pm on the following dates to take part in our consultation on the landscape and natural environment, which has been extended for four more sessions. These are:

Tuesday 28 May, Thursday 30 May, Tuesday 4 June and Thursday 6 June.

Any questions? Please contact our secretary, Sue Osbrink, on s.osbrink@staustellbay-pc.gov.uk
