## \* Beautiful Beaches \*

We all love a day at the beach. Enjoy yourselves, but please don't harm the natural environment.

\* Enjoy a picnic but think ahead to reduce the amount of single use plastic containers. Clean up all your rubbish after your visit.

\* Don't use disposable BBQs.

\* Inflatables are fun but think about hiring or borrowing rather than buying and throwing away.

\* Use ecofriendly sunscreen. Avoid spray on products and apply 15 minutes before swimming.

\* If you want to play frisbee do not use the ring type. They can end up choking wildlife.

\* Join a beach clean and always carry an extra bag to bring back any rubbish you see.

\* Leave nothing but footprints, take away all you brought with you and your happy memories!
