"Litter ally" Rubbish!

In a recent survey* by Keep Britain Tidy 90% of sites surveyed had litter. Smoking related litter (including vapes) was the most prevalent followed by sweets and chocolate wrappers at 52% of the sites, drink bottles and cans at 31% of the sites, fast food litter at 31% of sites and crisp and snack packets at 16% of the sites.

***Act responsibly. If you buy something dispose of it correctly.**

*** Always find a bin or take your litter home.**

*** Take a bag with you and if safe to do so pick up any litter you see.**

*** Join a Beach Clean or your local litter picking group.**

*** Make sure the rubbish you put out for collection is securely tied and sealed, especially on windy days.**

*** Talk to your family and make litter spotting and collecting a fun thing to do when you are out.**

**Please pick up
after your dog**
