

Cornwall Councillor Report – St Austell Bay Parish Council – October 2026

I hope you are all well as we go through October.

Following up from my plans at the last Parish Council meeting, I have now secured the materials to spruce up the railings at the bottom of Duporth Hill from Cormac.

I have provisionally booked a community session to do this work (weather depending!) on Saturday 7th November at 10am. Anyone who is interested in coming along and helping is more than welcome to. The more the merrier and many hands make light work.

I recently obtained and put up a number of dog fouling stickers around the 'new' Duporth estate after getting some requests for them from residents.

Cornwall Council has launched a six-week public consultation on Cornwall's new Anti-Social Behaviour (ASB) Strategy 2026-2030 on the Let's Talk Cornwall website which will run until late November.

The strategy is being developed by Safer Cornwall and partner organisations, including Devon and Cornwall Police, to help reduce antisocial behaviour, support victims, and strengthen the way agencies work together to respond to local concerns.

Residents, businesses, community groups, town and parish councils, housing providers, young people and partner organisations are all encouraged to take part and help shape the final strategy before it is considered for approval in early 2027.

The new strategy aims to ensure Cornwall continues to take a proactive and coordinated approach to addressing these issues and supporting affected communities.

You can find more information on this and the consultation itself, via the link [here](#)

As ever, should anyone need my assistance with anything, please get in touch on 07885277670 or at cllr.james.mustoe@cornwall.gov.uk and I will do my best to help.
